Any Other Business

Tom Ambler asked, 'what is the position regarding insurance for scatter type events for competitors own vehicles?' Andy Brown responded that it is down to the individual to ask the question of their own insurance companies and arrange the appropriate cover and that in the future the possibility on third party cover for competitors could be investigated.

Charlie Gordon asked, 'What is the financial year end of the Club?' It was agreed that it would be as previous years as the club is still 'trading' (the end of September)

Gordon Purdue asked 'What are the issues with junior members and are CRB checks required?' Andy B responded that it was unclear and it would be checked

Chris Coxall asked 'What is the duration of the Committee?' In the following discussion it was decided that the current committee would stand until the next Annual General Meeting which would be the 1st Thursday in September to allow adequate time for the committee to complete the MSA registration for year following.

Gordon Purdue asked 'Where would the club be holding its Club Nights in the future?' It was decided that it would ask The Rudgwick Social Club if their venue could be used, Andy B asked the RSC chairman and confirmed this was alright

Theresa Butler asked 'is the club affiliated to any motoring association other than the MSA?'

Andy B thought that the registration had been paid to Association of Central Southern Motor Clubs; this however will need to be confirmed by the treasurer.
